Special Requirements:

Certified Recovery Mentor certification required. Must be an individual in recovery. Driver's License.

Physical Requirements:

Physical Demands:

While performing the duties of this job, the employee is frequently required to use hands to finger, handle or feel; talk; or hear. The employee is occasionally required to stand; walk; sit; reach with hands and arms; and stoop; kneel; or crouch. The employee must occasionally lift and/or move up to 25 pounds. Specific vision abilities required by this job include close vision, depth perception and ability to adjust focus.

Work Environment:

The employee may work any hours as urgent and emergent work demands, nights and weekends. The noise level in the work environment is quiet to moderate. **Check the following that applies to this position:** The employee may occasionally: ☒ work with angry or hostile clients or members of the public, ☐ work with toxic substances and biohazards, and ☒ exposure to infectious illnesses.

Emergency Preparedness:

Benton County is committed to emergency preparedness planning and implementation, and disaster recovery. In the case of a Health Department, County, State, Federal or other emergency or disaster, this position may be called upon to assist in responding. This may require the assignment of additional responsibilities, depending on the circumstances. These responsibilities could include unscheduled temporary changes in work schedule and/or work duties, including evenings and weekends, work relocation, overtime, working with other community agencies such as the local Fire Department, hospitals, the Red Cross and other emergency responders. The ability to be flexible is critical in our overall response to the emergency or disaster. Under Emergency situations this position may be called in to work, supporting Administration in regular duties or other work as assigned. Per County personnel policy, this position may be included in the agency's essential personnel for emergency/disaster response.

Quality Improvement Participation:

Employees are expected to participate in improving BHS' performance, processes, and programs through quality improvement activities, use of the PDSA model and participating on QI teams as assigned.

NOTE: The above job description is intended to represent only the key areas of responsibilities; specific position assignments will vary depending on the business needs of the department.
