Special Requirements:

Licensed by the Oregon Board of Licensed Professional Counselors, 2) Licensed by the Oregon Board of Licensed Social Workers or 3) Credentialed or registered through the Mental Health and Addiction Counseling Board of Oregon (MHACBO) as a Qualified Mental Health Professional (QMHP) within the first 30 days of employment.

Physical Requirements:

Physical Demands
 While performing the duties of this job, the employee is regularly required to stand, walk, move, talk, hear, and manipulate equipment, as well as lifting and moving objects, equipment and supplies. The employee must occasionally lift and/or move up to 25 pounds. Lifting up to 40-50 pounds may occasionally be required, depending on the specific style or type of care provided. Specific vision abilities required by this job include close vision, depth perception and ability to adjust focus.

Working Conditions
 The employee works in well-lighted, clean environments. The noise level in the work environment is quiet to loud. May work evenings or weekends. The employee works outside in most weather and climate conditions. **Check the following that applies to this position:** The employee may occasionally: work with angry or hostile clients or members of the public, work with toxic substances and biohazards, and exposure to infectious illnesses.

Emergency Preparedness:

Benton County is committed to emergency preparedness planning and implementation, and disaster recovery. In the case of a Health Department, County, State, Federal or other emergency or disaster, this position may be called upon to assist in responding. This may require the assignment of additional responsibilities, depending on the circumstances. These responsibilities could include unscheduled temporary changes in work schedule and/or work duties, including evenings and weekends, work relocation, overtime, working with other community agencies such as the local Fire Department, hospitals, the Red Cross and other emergency responders. The ability to be flexible is critical in our overall response to the emergency or disaster. Under Emergency situations this position may be called

in to work, supporting Administration in regular duties or other work as assigned. Per County personnel policy, this position may be included in the agency's essential personnel for emergency/disaster response.

Quality Improvement Participation:

Employees are expected to participate in improving BHS' performance, processes, and programs through quality improvement activities, use of the PDSA model and participating on QI teams as assigned.

NOTE: The above job description is intended to represent only the key areas of responsibilities; specific position assignments will vary depending on the business needs of the department.
